

NeuraLabel 550e

Full Colour GHS Compliant Laser Printer

The NeuraLabel 550e is an easy drop-in replacement for your existing 500e or 600e printer, that uses single pass, 4-colour laser technology, to quickly print full colour GHS labels. Due to its ability to print on larger media, you will reduce labelling operations from 4-5 labels, to one combination label to include GHS and IMDG diamonds, branding and ingredients.

Applications Include:

- Chemical Drum Labels
- IBC Labels
- Chemical Combination Labels
- BS5609 Approved Labels
- GHS Compliant Labels

Speak to our experts to discuss your requirements today.
