## SOLUTIONS

## NeuraLabel Callisto

Full-Colour Variable Inkjet Printer

The NeuraLabel Callisto colour label printer is a high-speed, high-resolution printer for in-house label printing.

Combined with Dura-ID's material, your label will be GHS compliant and will adhere to IMDG regulations. Print labels for various container sizes from 1" to 12" and take the stress out of your process.

Applications Include:

- Chemical Drum Labels
- Chemical IBC Labels
- Chemical Bottle Labels
- Keg Labels
- Laboratory Labels
